Rooted in in Montgomery County,

Memorial Hermann The Woodlands

Medical Center has been caring for families in the north Houston region for 40 years. Memorial Hermann The Woodlands brings the expertise of more than 1,400 affiliated physicians across a wide variety of disciplines and specialties. Our team of health care professionals utilizes state-of-the-art technology to address the community's health care needs, from routine outpatient visits to complex, acute inpatient procedures.

The campus features three patient towers and is the largest health care employer in Montgomery County, with more than 3,150 employees. We are part of the Memorial Hermann Health System, with over a century of caring for Greater Houston.

Magnet®-Recognized Nursing Facility

Memorial Hermann The Woodlands was the first—and for more than a decade, the only—hospital in Montgomery County granted Magnet® status, an international distinction for nursing excellence and quality care awarded by the American Nurses Credentialing Center.

Memorial Hermann | GoHealth Urgent Care

Memorial Hermann-GoHealth Urgent Care offers same-day, evening, weekend and holiday care for non-emergency, non-life-threatening health care concerns and are open seven days a week, with walk-ins and virtual care options available.

24-Hour Emergency Centers

Our ERs care for both children and adults and are ready to listen and meet the needs of critically ill or injured patients. Our ERs are staffed by affiliated board-certified emergency medicine physicians and advanced practice providers. We have two additional offsite ERs in The Woodlands and Spring, plus access to higher level of care via ground ambulance or by air via Memorial Hermann Life Flight.®

Level II Trauma Center

Memorial Hermann The Woodlands is a designated Level II trauma center with the ability to provide advanced trauma life. If needed, patients can be transferred quickly to an even higher level of care at the Level I trauma center at Memorial Hermann-Texas Medical Center or to Children's Memorial Hermann Hospital.

Birth Center and Neonatal Intensive Care Unit

As a Texas Department of State Health Services Level III Maternal Facility, we offer a Family Life Center (FLC) and Level III Neonatal Intensive Care Unit (NICU). We have in-house affiliated OB/GYN and pediatric hospitalists, as well as maternal-fetal medicine (high-

risk pregnancy) and an OB Emergency Center. Our private postpartum rooms are where mothers and newborns receive care together. While, our NICU provides critical care for babies, with affiliated neonatologist care available 24 hours a day.

Children's Services

Children's Memorial Hermann at Memorial Hermann The Woodlands offers specialized care and services for children of all ages. We listened and know that access to specialty pediatric care, pediatric primary care, child-friendly staff and family-focused accommodations are vital. The affiliated team of pediatric subspecialists offers outpatient care including pediatric adolescent medicine, neurology, cardiology, gastrointestinal diseases, ophthalmology, endocrinology, orthopedics (and the Club Foot Clinic), rehabilitation therapies and urology. Our Miracles and Milestones Clinic is a multidisciplinary clinic for babies and toddlers (birth to 3 years) who were born prematurely, were medically fragile at birth or have developmental, feeding or language needs.

Heart & Vascular Services

Memorial Hermann is at the forefront of advancing heart health from preventive care to cardiac emergencies to complex surgical procedures. The Heart & Vascular Institute at Memorial Hermann The Woodlands combines research-driven innovation and a heart team approach to open blockages, repair valves and aneurysms, correct irregular heartbeats and more. Board-certified diagnostic, interventional and electrophysiology cardiologists, as well as cardiovascular and thoracic surgeons affiliated with our program offer a spectrum of heart-related treatment options, from heart disease risk assessment and medical management, to minimally invasive procedures.

Neuroscience Services

Mischer Neuroscience Associates at Memorial Hermann The Woodlands is one of the most advanced of its kind in north Houston. Affiliated neurologists, neurosurgeons, neurointensivists, pain management physicians and neuroscience nursing staff provide care for a broad range of neurological disorders and conditions.

Patients benefit from inpatient and outpatient services, specialized care for complex conditions and leading-edge technology as well as innovative therapies, including deep brain stimulation (DBS) and MRI-guided focused ultrasound for essential tremor and movement disorders. The inpatient Neuroscience Center at Memorial Hermann The Woodlands includes a neurological ICU with dedicated neuro medical/surgical beds with an epilepsy and seizure monitoring unit.

Recognized by DNV-GL Healthcare as a Comprehensive Stroke Center, Memorial Hermann The Woodlands is equipped to rapidly diagnose and treat stroke victims. We can provide high-level neurological care for a wide range of neuro-trauma conditions, including traumatic brain injury and spinal cord injury.

The Woodlands, TX 77380

Oncology Services and Survivorship

We believe in helping patients navigate their entire cancer journey by caring for their physical, social, emotional and spiritual needs. A coordinated, multidisciplinary team of affiliated oncology specialists work together to review and develop personalized treatment plans. Our Canopy Cancer Survivorship Center is free to cancer survivors and their caregivers. Canopy provides an array of support groups, activities and resources. Canopy is also home to an Oncology Nurse Navigator and an Oncology Social Worker—ready to provide their support. Canopy services are available for any kind of cancer, and it does not matter where a guest received their diagnosis or treatment.

Orthopedics & Sports Medicine

Part of Memorial Hermann | Rockets Orthopedics, our orthopedic care team includes nurses, rehabilitation specialists and affiliated specialty-trained physicians, who provide non-surgical and minimally invasive procedures, surgery and rehabilitation for muscle, joint and bone injuries and abnormalities. At our joint center, we perform joint replacements of the hip, knee and shoulder utilizing the latest surgical and pain-management techniques.

Rehabilitation Services

TIRR Memorial Hermann – The Woodlands offers comprehensive inpatient and outpatient medical rehabilitation services. Our team of specialists offers inpatient medical rehabilitation programs designed to help patients maximize their potential following injury or illness. TIRR Memorial Hermann is nationally known for its comprehensive, personalized neuro-rehabilitation for medical conditions, and those for COVID-19 complications, cancer survivors and trauma survivors, including limb loss and prosthetics.

Women's Services

Memorial Hermann offers comprehensive diagnostic, treatment and resource services for the unique health care needs of women. Services include obstetrics and gynecology, maternity, heart and vascular, breast and bone, pelvic floor therapy and more. Convenient, coordinated health care and innovative treatments to fit your busy schedule. We offer the latest in minimally invasive and robotic-assisted and computer-assisted surgery. Affiliated gynecological oncologists address cancers that occur in female reproductive organs, including ovarian, uterine (endometrial), cervical, vaginal or vulvar cancer.

TIRR is a registered trademark of TIRR Foundation.
